Infinity from Marvin, UPS Freight Sponsor 2011 Window & Door Dealers Forum

Washington, DC (March 22, 2011) – have agreed to sponsor the 2011 Window & Door Dealers Forum (WDD Forum) being held September 13, 2011.

“We are proud to be a part of this event for the second year,” says John Evans from Infinity from Marvin. “Last year’s forum included interesting and informative discussions that we are looking forward to again this year.” Infinity from Marvin is a full line of fiberglass replacement windows and patio doors designed by the experts at Marvin Windows and Doors.

UPS Freight is also returning to sponsor for a second year. “UPS is excited to be returning to this event again in 2011. We can’t wait to meet dealers from around the country,” says Chuck Pendleton. UPS Freight is an Affinity partner of the WDDA and offers freight discounts to members.

The WDDA’s second annual WDD Forum, held in conjunction with GlassBuild America: The Glass, Window, and Door Expo, is being held September 13, 2011 at the Georgia World Congress Center in Atlanta, GA. The one day forum is the networking opportunity for independent dealers. It is a program created for North American company owners, presidents, and CEOs - the leaders in the industry-to help build enduring relationships and exchange information.
